an ECU Holiday
Club Account

About the Holiday Savings Club

The Holiday Savings Club is the easy way to save up for that long shopping list (thelistthatisalwayslongerthanyourbudget). The account is available to all members of the Credit Union, does not have a monthly fee, and best of all it earns dividend.

The Holiday Savings Club can be opened at any time and will close on or around the 1st of October each year. The Credit Union can mail you a check, make a convenient transfer into your Share Draft/Checking account or into your Share account, the choice is yours.

Policy

Deposits to the Holiday Savings Club can be made by cash, check, payroll deduction, or automatic transfer. Dividends on the account accrue daily, pay quarterly, and are declared by the Board of Directors at the beginning of each quarter. The rate declared will be on your statement.

The Holiday Savings Club is only active for one year. The account may be opened at any time but will be closed by the Credit Union on or shortly after October 1st. You may give specific instructions regarding the disbursement of the account balance at any time.

Fees

If funds are requested from the account prior to October 1st, the account will be charged a \$5.00 early withdrawal fee. If the account is closed prior to October 1st, the early closure fee is \$10.00. The minimum balance to be maintained in the account is \$10.00.
